

# ANIMALS & THEIR HOMES

FREE *Clip it Cards*

## HAPPY TEACHING!

**PREPARATION:** Print these pages onto card, cut them to separate and laminate if you wish. Children look at the animal and the habitat pictures below and decide which place would suit the animal best. They can add a small peg or paperclip to show their choice. Or just pop a small object on top.

Please do not send this file to others, but direct them to [123Homeschool4Me](http://123Homeschool4Me) where they can download it for themselves!

I hope your little ones enjoy this activity and wish you happy teaching and learning!
